

# Dwarf Hinoki

A moderate grower that without pruning, becomes an elegant, full-sized tree with fan-shaped sprays of dark green foliage with white undersides. The exfoliating bark is a bonus!

**Great For:**

- Focal point in the shrub border
- Foundation plantings

**Height:** 15-20'   **Width:** 15-20'   **Shape:** Upright

**Fall Color:** Green

**Winter Interest:** Branching, Structure
